Welcome to the Old School Hotel & Restaurant

We are doing our best to provide a Covid Secure space for you to enjoy your time at The Old School.

In the Restaurant, we have left an empty space at the end of each table to enable us to maintain a distance whilst serving. Please help us by keeping chairs free from this space and please do not move tables and chairs without asking.

Please use the hand sanitising stations, which are located at every entrance to the building, at the bar and by the public WCs.

You will be asked to provide a name and contact details if you are inside the building for NHS Track & Trace.

Thank you in advance for your assistance in keeping everyone safe.
